Important Note: The torah portions are out of sync this month with the orthodox luach. This is because Progressive Judaism does not observe 8 days of Pesach so Shabbat Morning 7 April we will read Shemini and not a Pesach reading. We will be back in sync with the Orthodox luach from 12 May when we will split the reading of Behar Bechukotai over 5 and 12 May. This approach is in line with guidance from Rabbi Fred Morgan of the UPJ.
